

Change Makers in Youth Employment

Annual Report

2020 - 2021

Profile

Brophy Family and Youth Services is the primary provider for children, youth and family services in South West Victoria. Brophy originated in 1974 with its beginnings in hostel accommodation for homeless youth and over the past forty plus years has developed a comprehensive range of specialist support services for the communities that we serve.

Vision

People are meaningfully connected to create the life they want. We achieve this together through innovation and relationships, creating new horizons towards an advantaged community.

Mission

To provide community based services that promote a just society and improve the life circumstances for people who are vulnerable and disadvantaged, especially those who are experiencing homelessness, family violence, marginalisation or disconnectedness.

Values

Social Justice
Promoting justice, fairness and human rights

Professionalism
Practising in an ethical, respectful and inclusive manner

Empowerment
Strengthening and enabling individual and community decision making

Responsiveness
Responding in a timely, engaging and respectful manner

Partnership
Striving for shared connections to create better client outcomes

BOARD CHAIR

On behalf of the Board, I would like to present the Chair's Annual Report of 2020-21.

In another year significantly disrupted by a global pandemic, the Agency has remained on keel throughout the year whilst tacking to and fro into a very fickle wind.

In fact, the organisation has experienced a year of strong growth across every Division, which is an impressive achievement in such an environment.

The Family and Individual Services Division experienced significant growth with the advent of the Orange Door Initiative in south west Victoria, while the Youth Services Division experienced its growth due to youth unemployment issues and the level of young people who have become disconnected from school and their supports due to remote learning.

The Health Services Division has increased in size due to the mental health issues being experienced by young people which has seen the demand for services increase, while the demand for foster care and residential care services (which has seen an increase in the level of funding to support this growth) has seen the Out of Home Care Division also expand.

The Agency's capacity to not only manage the growth experienced, but also the turbulent impact of COVID19 over the year has been a credit to the Senior Leadership Group which includes all Line Managers and the Executive Leadership Team.

Working tirelessly through the year with only short periods of reprieve between lock downs, staff have adapted to discover different ways to support our clients in a safe and yet meaningful approach. The manner in which they handled this task whilst organising to work from home was truly remarkable.

On behalf of the Board, I would like to thank the CEO and the Executive Leadership Team who have undertaken an outstanding job in keeping staff safe whilst transforming the business models of service delivery to support our clients. The implementation of the Agency's continuity plan has enabled clear leadership and safe practices to be conducted across the organisation.

Finally, I would like to thank my fellow Board Members Clare Vaughan (Vice Chair) Stephen Kerr, (Treasurer) Kristy Hess, Sue Holcombe, Michelle Walters, Rob Wallis, Sarah van Rooy and Ben Anderson for their stewardship during these extraordinary times.

The Board has been very connected and willing to share the load during these extraordinary times, which has been much appreciated.

Debbie Nankervis - Chair

CEO

It gives me great pleasure to present my report for the 2020-21 year.

The year has been a time for the ages where we will reflect back in time and wonder how we managed.

At the commencement of the financial year, we had moved into another lock down with the deadliest of times appearing ahead of us - with no vaccine yet fully developed, it often felt like a game of Russian Roulette.

As an organisation, we felt very exposed to the virus especially through our youth residential settings and Kinship and Foster Care programs - however we pivoted each day, working through how to create safe environments for our clients, our incredible carers and staff, who bunkered down and held together. We are in gratitude to them all for their service to others in times of real adversity.

Over the year, we developed four iterations of protocols, managing the waves of COVID19 the best we could. Staff held strong, did the hard yards at home, on the phone and online with our clients and their teams to provide a modicum of normality needed for clients and carers.

Our teams drew on their collaborative strengths and created many innovative ways to maintain their health and wellbeing. We leant towards the need to focus on resilience-building throughout the year and were incredibly supported by Dr Jodie Fleming in her work, in consciously strengthening the health and wellbeing of staff.

I wish to acknowledge the great work of our Line Managers who rode every bump with their teams and whose emotional presence enabled the Agency to deliver its services on every working day of the pandemic.

My thanks also goes out to every single one of our staff who have achieved extraordinary feats during this time in keeping clients connected and safe.

As noted in the Chair's Report, the Agency experienced over 26% growth over the year, across the Divisions. For the Executive and Corporate Services Teams this process has required a significant level of effort to recruit and induct more than 38 new staff in a climate where welfare staff are a scarce commodity.

Over the year, the Transition to Work Program doubled in size and its Community Investment Committee was launched, the Orange Door Initiative commenced recruitment, the Safe and Connected Youth Outreach Program began, the OoHC Residential Program

commenced, headspace's demand funding increased its capacity by 50%, it's Individual Placement Support Program kicked off and the Family Preservation and Reunification Program was funded.

Another huge shout out goes to our Foster and Kinship Carers who have worked so hard during this time, including having to assist their charges in remote learning. It is an exceptional testament by these carers ensuring no child was left without a home. Thank you all so much.

Another non-assuming group are the incredible women of the Foster Care Opportunity Shop and the Country Women's Association who spent many hours sewing masks to keep the multitude of carers and children safe. I am humbled that so many staff and carers have sustained this journey with so much optimism and a willingness to find a way through.

To the Executive Leadership Team, I am honored to work with such a remarkable and capable team who have led their Divisions throughout the pandemic and delivered so much growth.

We farewelled Anna Maloney who returned to her legal service roots and welcomed Maree Wyse in her stead. We also created a new Division of Out of Home Care and welcomed Angela Wheeler originally from Mt Gambier, to lead it. It is wonderful to feel the excitement of new energy and capabilities in our leadership team especially after a very tough and exhausting year. Together, we have achieved extraordinary feats we all should be proud of.

I also wish to pay tribute to Ruth Isbel who was with Brophy for many years before taking up the helm at Emma House. Sadly, Ruth lost her battle to cancer this year which was a sudden and unexpected diagnosis and our thoughts go out to Loretta O'Brien and Emma House staff in their loss.

Finally, I wish to express my gratitude to the Board who have again supported the Executive Leadership Team throughout the year, when continually pivoting and recalibrating has required flexibility and quickly considered decision making to maintain the buoyancy of the vessel. Hugely appreciated.

REALISE ENTERPRISES

The Realise Enterprises Division provides an innovative range of services that unleashes the remarkable potential in people with disability.

Our social enterprise Tasty Plate Catering is our main service, offering training and skill development in a typical commercial catering setting. It provides a structured and supportive learning environment that equips people with skills that are transferable to everyday life and other potential workplace settings.

Highlights of the last year have been:

- Provision of tailored services to people with disability in the South West region continues, with a major focus on providing structured workplace training and capacity building supports.
- Anna Maloney continued to lead the Division effectively throughout the past year, despite ongoing disruptions due to lock downs and business restrictions. Anna moved on from the Executive Manager position in May 2021, returning to the legal sector in the local community.
- Warrnambool and District Food Share recently engaged Tasty Plate to prepare 300 frozen meals as part of a state government stimulus program to spread food throughout the region to those in need.
- Food Relief to vulnerable families and individuals continued in response to the impact of COVID19 in our local communities.

- A strong collaboration with other Divisions including the Foster Care, Kinship Care and Youth Support Teams, along with external organisations including Gunditjmara Aboriginal Cooperative led to more than 600 nutritious meals being prepared by the catering team at Tasty Plate. We thank the many local Trusts and Foundations and generous individuals who have continued to support this project.
- Tasty Plate Catering adapted to variable COVID19 work restrictions, with an increased focus on wholesale customers and takeaway options. In the past financial year, over 1800 take home meals were sold through the Fairy Street outlet, with more than 29,000 food and beverage transactions taking place across the counter.
- The recent commencement of staff in key positions brings a fresh focus on the strategic direction of the Division:
 - Maree Wyse is now in the Executive Manager role, with over 20 years' experience in the local health, disability and community development sectors.
 - Stephen Weber is the new Tasty Plate Catering Manager, bringing a wealth of industry skills and knowledge from the hospitality and vocational training sectors.
- Despite the challenges of the past year, Realise Enterprises is well placed to expand upon the services being offered to people with disability towards meaningful skill development and community participation outcomes.

Maree Wyse
Executive Manager, Realise Enterprises

OUT OF HOME CARE

The Out of Home Care Division was established as a standalone Division in late 2020.

The Division includes three existing programs of Foster Care, Kinship Care and the more recently established Residential Care Services program. These programs align with the Victorian response to protective intervention for children & young people at risk.

Foster Carers, Kinship Carers and Residential Care Services staff all provide care to children and young people who are unable to live with their birth family for a variety of reasons.

Many of our children have suffered traumatic events and the role of our carers and staff is to provide a safe and healing environment for children and young people to reach their full potential.

The Out of Home Care Division has been created in recognition of the growing demand for support to children and young people in our community. The establishment of the Division enables greater opportunity to develop specialist services and supports to deliver and extend our current programs.

Carers and staff have demonstrated amazing levels of resilience and dedication throughout the pandemic.

They have adapted to radically changed environments, become home schooling champions whilst taking on additional tasks in the absence of the traditional networks and supports familiar to all.

Highlights of the last year have been:

- 44 staff now working across the Out of Home Care Division.
- 45 Foster Care families with 84 children.
- 28 Kinship Carers with 61 children.
- Residential Care Services have welcomed 10 children throughout the year.
- Our On-Call service engages 12 staff who provide out of hours support to families and staff across all program.

FAMILY AND INDIVIDUAL SERVICES

The Family and Individual Support Services Division incorporates Integrated Family Services, Family Violence and the Housing Support & Linkages Programs. Moving forward the Orange Door will also form part of this Division.

The Division's 20 programs, which includes a number of partnerships, deliver a diverse range of programs to young people, individuals and families in our community with purpose of building the capacity of these groups to enable them to self- manage and be the best they can be.

Highlights of the last year have been:

- NILs Program: Out of 854 enquiries, NILs facilitated 389 loans last financial year. Both Employees and Volunteers have worked very hard throughout the year to provide such a positive support to the communities most vulnerable population.
- Rough Sleeping worked with 79 registered clients during the year and supported 22 of those into secure, long-term accommodation. The benefits of supporting people via a multi-disciplinary partnership consisting of WRAD, SWMH and Gunditjmara proved invaluable to clients who require intensive wrap-around support.
- Of the 957 people that received information or support from the Community Reconnections Program, 195 of those were new to Brophy.
- Tenancy Plus worked with 107 Public Housing tenants that required support to establish their tenancy, required advocacy or who were at risk of their tenancy breaking down.
- SAVVI provided registered support to 18 residents and casual support to 25 others living in supported residential accommodation in Warrnambool.
- All HSL programs have continued to provide flexible service delivery within the COVID19 environment. The teams have worked tirelessly to reduce identified barriers people may face when accessing support in the South West district.
- Men's Behaviour Change Program continued to complete intakes and assessments for the program and clients meeting eligibility criteria were placed on an active holding list and received phone contact throughout the period to mitigate risk and support with strategies to keep clients and their families safe, and ensured regular family safety contact and the sharing of risk relevant information between workers.
- Enhanced Intake provided support through contact with clients, VicPol and completed referrals to services by phone throughout the lockdowns restrictions.
- The Family Violence Women and Children's program exceeded program target of 18 by supporting more than 40 clients throughout this period.
- Staff actively participated in the growth of, and service provided by, the South West Family Violence Partnership Program.
- The Who's in Charge program has transitioned to now be completed with participants via Zoom, and workers have been consistent in coordinating with participants throughout lock-downs and children needing to be present in the home to ensure safe and positive outcomes.
- The Integrated Family Services (IFS) team have reached their allocated targets for the year amid the many changes to service delivery due to the COVID19 restrictions and provided a high level of service to clients continuing to grow with the changes to systems, delivery, working from home, telephone communication rather than face-to-face.
- IFS has a Family Preservation and Reunification Worker as part of the IFS team and together with Bethany and have worked together to coordinate the smooth and positive outcomes for clients of this program.
- Similarly, clients have continued to be supported through the Finding Solutions program with workers ensuring limited impact on service delivery due to the COVID19 restrictions.
- The Family Services Team successfully obtained a Targeted Care Package and have continued to support this young person working around the various complexities exacerbated by the restrictions of the year.
- Child FIRST have assessed 859 families in the past financial year.
- Brophy has held positions of both the Chair and Vice Chair of the IFS Alliance for a period during this time to enable the Alliance to progress and support client outcomes.

Executive Manager, Family & Individual Support Services

HEALTH SERVICES

The Health Services Division provides a holistic and integrated model of youth friendly health and wellbeing services to young people during their adolescent years of development, with the involvement of family and friends a key focus of our practice, where possible. Services provided include; Access and Engagement; GP Youth Clinic, youth mental health, psychological therapy services, case support and recovery for young people with complex mental health; telepsychiatry, youth alcohol and other drug services, WILD adventure therapy, enhanced mental health and GP in schools support; and navigation support to access self help digital mental health and wellbeing resources.

Collaborative partnerships underpin the suite of services available for young people in our region, with the support of funding partners the Western Victorian PHN, Rural Health Outreach Program, Department of Health and Human Services, headspace National, headspace Consortium and Portland Advisory Committee service partners, including secondary schools, VicPol, youth services, Aboriginal Health services, SWHC MHS, and other specialist health services, MyDentist Warrnambool and Youthlaw.

New partnerships developed with Orygen Digital now provides new 'shared care' digital social therapy service for young people in collaboration with our headspace team and with Deakin University, provisional psychology student placements assist in developing and attraction of a mental health workforce. The addition of specialist vocational services will support young people accessing headspace Warrnambool services to gain sustainable employment outcomes, through the application of the evidence based Individual Placement Support Program (IPS) model that has been funded by the Department of Social Services over the next three years.

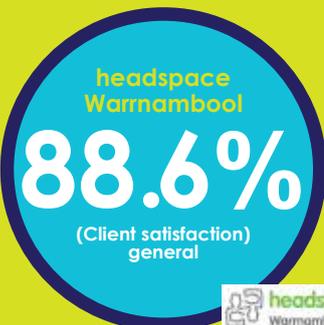

Highlights of the last year have been:

- A talented team of nine youth reference group ambassadors have developed, advised and delivered an outstanding amount of community

awareness activity through social media, on line events, providing the 'youth voice' as members of Advisory Committee's and co-designing service improvements to support young people during the COVID19 lock downs.

- An amazing effort of more than 200 people across the region joined in the Push Up Challenge, completing 368,166 push ups, raising awareness of suicide prevention.
- 791 people supported through the Access and Engagement Service (Youth Entry Point) at the Community and Youth Complex.
- 475 new young people accessed headspace services for the first time.
- 888 young people across the region received a headspace service.
- 3,631 occasions of services were to delivered to young people across the region.
- 22 young people experiencing complex mental health problems had significant improvements in their lives through longer term case management and recovery support.
- 136 young people from LGBTIQ+ community, 43 young Aboriginal people and 29 young people from a CALD background accessed services.
- 71 young people at risk of problematic substance use engaged in the DARE and WILD programs, completing 91 completed occasions of treatment, with notable improvements in life skills, positive relationships, accommodation and money knowledge and skills outcomes.
- In partnership with a statewide youth AOD consortia funding was awarded to services in Portland and Hamilton areas.
- The GP Youth Clinic delivered 1,830 physical, mental and sexual health consults with young people.
- Masters and Doctorate psychology student placement program commenced in partnership with Deakin University.
- Re-accredited under the National Mental Health Service Standards and the Australia General Practice Accreditation Program.
- Funding valued at \$1,633 m awarded to support demand over the next three years.

YOUTH SERVICES

The Youth Services Division in 2020- 2021 comprised five teams across the agency namely Youth Support, School and Community, Youth Foyer, Youth Transitions and the newly created Safe and Connected Team, (as a specific COVID19 response.)

These teams provide a wide range and reach of services in the areas of youth support, youth accommodation, youth pathways, youth activity, engagement and events, youth led projects, youth employment services, youth outreach and youth advocacy.

The Division aims to deliver services which are evidence informed, responsive, innovative, advantaged thinking in approach and co-designed with young people.

The opportunities and outcomes could not be achieved without our key community partnerships and funders which include; Brotherhood of St. Laurence, SWTAFE, HEY (Healthy Equal Youth) State-wide Partners, Barwon Child, Youth and Families, Warrnambool City Council, Australian Childhood Foundation, the Transition to Work Community of Practice organisations across Australia, health and headspace services, Helen MacPherson Smith Trust and the Paul Ramsey Foundation and all of our supportive schools, local businesses and employers.

Highlights of the last year have been:

- 41 residents in total from the Foyer have now completed the Certificate in Developing Independence in partnership with SWTAFE.
- Transition to Work supported 88 young people to achieve an outcome of 12 weeks of employment, and 37 young people went on to achieve a further outcome of 26 weeks or more of employment.
- 16 young people were supported to achieve an outcome of 26 weeks of educational participation or attainment.

- Transition to Work achieved 104 employment, education and hybrid outcomes being 130% of the target set by the Department of Employment.
- Establishment of the Warrnambool/Moyne Community Investment Committee with commitment from Local Government, Major Employers and Industry bodies, all engaging in the Youth Employment Action Plan.
- L2P was subcontracted to Brophy by Warrnambool City Council in July 2021 and has matched 26 mentors with 26 young learner drivers achieving 20 licences to June 2021.
- The Safe and Connected Team was established as a response to COVID19 impacts on young people's pathways in the region. Since November 2020, The Team has engaged with and supported over 50 young people referred across the region for support towards re-engagement.
- 83 young people at any given time were supported in the Youth Homelessness Services for ongoing planned transition support and case management.
- 127 young people were supported with crisis accommodation (for up to 6 weeks) over the year.
- 33 Young people were assisted financially with Housing Establishment Funds and 19 with Private Rental Assistance Packages.
- The newly developed STOKED Surf Therapy Program matched 21 community mentors with 17 young people to complete a 6 week surfing program focused on developing confidence, social engagement and reducing mental health impacts.
- The School Focused Youth Service project coordinated 22 separate school based interventions designed to increase positive school engagement for students across the south west region.

Name: Debbie Nankervis

Name: Stephen Kerr

Dated this 2nd day of November 2021.

INDEPENDENT AUDIT REPORT TO THE MEMBERS OF BROPHY FAMILY AND YOUTH SERVICES INC.

Opinion

We have audited the financial report of Brophy Family and Youth Services Inc. (the entity), which comprises the balance sheet as at 30 June 2021, the comprehensive operating statement, statement of changes in equity and cash flow statement for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and statement by members of the committee.

In our opinion, the accompanying financial report of Brophy Family and Youth Services Inc. (the entity) is in accordance with the *Associations Incorporation Reform Act (VIC) 2012* and the *Australian Charities and Not-For-Profits Commission Act 2012*, including:

- (i) Giving a true and fair view of the entity's financial position as at 30 June 2021 and of its financial performance for the year ended; and
- (ii) That the financial record kept by the association are such as to enable financial statements to be prepared in accordance with Australia Accounting Standards.

Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of our report. We are independent of the entity in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Report

Management is responsible for the preparation and fair presentation of the financial report in accordance with Australian Accounting Standards and the *Associations Incorporation Reform Act (VIC) 2012* and the *Australian Charities and Not-For-Profits Commission Act 2012*, and for such internal control as management determines is necessary to enable the preparation and fair presentation of a financial report that is free from material misstatement, whether due to fraud or error.

In preparing the financial report, management is responsible for assessing the entity's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless management either intends to liquidate the entity or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the entity's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with Australian Auditing Standards, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the entity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Independence

In conducting our audit, we have complied with the independence requirements of Australian professional ethical pronouncements.
